SIR,

Regarding-Improvements to the Town Hall at Koppa.

I have the honour to state that the Sidde Gowda Memorial Hall at Koppa kindly donated by Lokasevaniratha Mr.M S-Dyave Gowda is urgently in need of repairs It is reported that the Madras terrace over the verandah of the building is threatening to come down, the wooden rafters being very much damaged due to the leaky roof The main building is also reported to have been damaged by rains- An estimate to replace the roofing by R C C.terrace was prepared by the Assistant Engineer, Koppa for Rs.4000/- .

The Executive Engineer, Kadur Division has scrutinised the estimate for Rs 3200/- Including the establishment, tools and plant charges, the total cost of the estimate comes to Rs 3600/-. The work has to be executed through the agency of the Public Works Department as the estimated cost of the work is more than Rs.1000/-.

The Minor Municipal Council, Koppa has passed resolution on 22-7-46 requesting for a grant from Government equal to half the cost of the estimate. I therefore request that sanction of Government may be kindly obtained for a grant of Rs.1800/- towards the cost of the above work. This work has also been included in the list sent with this Office letter No.A3-C 816-94/46-47 dated 22-8-1946.

The connected records are enclosed for favour of reference
